

**Letter of Intent (Application Essay)**  
Masters Program in Elementary Education  
Masters Program in Secondary Education

Thank you for your interests in the Masters Programs in Elementary/Secondary Education. In order to complete your application packet, program faculty request that you compose a brief letter of intent outlining your interests in your selected masters program. Please follow the directions below and mail your letter to the address listed at the bottom of the page. Thank you for your interest in our graduate programs.

In approximately 600 words of word processed text, respond to the following prompts:

Explain your philosophy of education as it relates to the COE's conceptual framework.

What are your goals for your proposed program of study?

How do you see the masters program in Elementary/Secondary Education supporting your stated goals?

What relevant background experiences do you bring to the program?

How do you plan use your degree once it has been earned?

Is there anything else you would like us to know about you?

Return form with your graduate application or mail to the address below:
